Solid Colours

Murals

Patterns

Solid Colour panels can be printed to match any colour of your choice.

Provide an image of your own and we'll print your truly bespoke Showerwall panel.

Compact | The Compact Collection

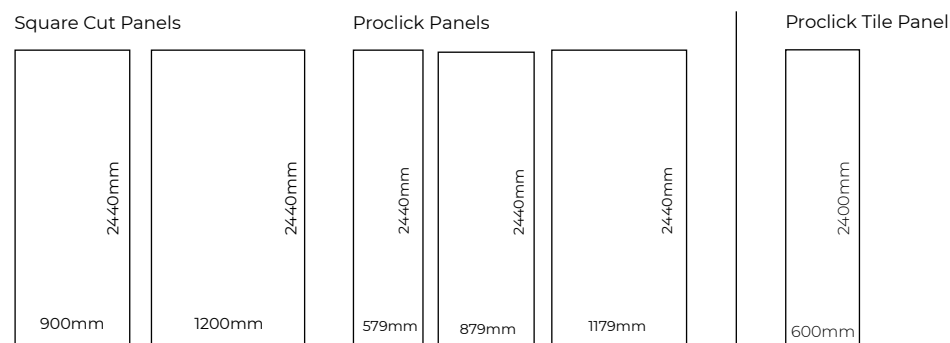

Order your samples online at www.showerwall.co.uk.

Due to variations in the photographic and printing processes the colours shown may vary compared to the actual product.

Laminate

Choose from Square Cut panels or take advantage of our Proclick technology which achieves seamless joints without the need for joining trims.

All decors from the Original, Impression, and Majestic collections are available with either a Plywood or Exterior Grade MDF core, giving you the choice that best fits your project. The Tile collection is manufactured with a Plywood core as standard. All Showerwall laminate decors are in stock and available with no minimum order quantity.

All laminate panels are 10.5mm in thickness, apart from Tile panels that measure 10.2mm thick.

SEALANT, ADHESIVE & CLEANER

Laminate panels use Showerwall Adhesive to adhere to the wall and Sealant for joins between panels and edges, note Sealant is available in both a translucent and white finish.

Translucent or White Sealant 300ml	
RRP	RRP (Inc VAT)
£15.00	£18.00

Showerwall Panel Adhesive 350ml	
RRP	RRP (Inc VAT)
£12.60	£15.12

Showerwall Antibacterial Cleaner 500ml	
RRP	RRP (Inc VAT)
£5.70	£6.84

We recommend that Showerwall's own brand of adhesive and sealants are used for the effective fitting of the Laminate product. Our Showerwall guarantee only applies if the correct products are used when fitting Showerwall panels.

Acrylic | The Acrylic Collection

Acrylic Panels

Acrylic Collection panels measure 2400mm in height, and are available in either 896mm or 1200mm widths.

MADE IN BRITAIN

All Acrylic panels are 4mm in thickness.

SOLID COLOURS

Solid Colour panels can be printed to match any colour of your choice.

INSTALLATION

Fitting our shower panels is easy and can be completed by anyone who is competent at DIY. Full installation instructions are provided with every panel and we highly recommend watching the Showerwall installation videos which are accessible via YouTube and www.showerwall.co.uk.

Failure to comply with the Showerwall installation instructions, including the recommended use of Showerwall sealant and adhesive, will invalidate your guarantee.

SHOWERWALL FIND A FITTER

Visit our Find A Fitter programme on our website, through which you can find installers from across the UK who are ready and waiting for you to contact them.

Simply scan the QR Code and enter your postcode to begin your search.

CARE AND MAINTENANCE

Showerwall is more hygienic and easier to maintain than tiles. The non-porous surface provides excellent protection against bacteria, especially in the areas between tiles that are traditionally grouted. SuperClean anti-bacterial cleaner kills germs and keeps hard surfaces clean without scratching and is recommended for the optimum life and performance of your Showerwall panel.

Abrasive cleaners and bleaches must not be used on Showerwall panelling. Sealant needs to be replaced at regular intervals. Failure to do this may cause water ingress and subsequent panel damage.

DISCLAIMER

Any reference to Showerwall waterproof panelling system refers to all elements of the Showerwall system being fitted together. Showerwall Laminate panels must be fitted in accordance with the fitting instructions and must use Showerwall trims including Sureseal, sealant and adhesives to ensure the system is both waterproof and guaranteed. Due to variations in the photographic and printing processes the colours shown may vary compared to the actual product. Natural stone decors will vary to replicate variances in this type of material, and there will generally be shade variances between individual panels so this is not grounds for complaint. All panels, irrelevant of decor type, must be inspected carefully before installation. Any concerns raised must be clarified prior to installation. It is recommended that actual product samples and retailer displays are viewed prior to purchase.

We reserve the right to amend the specification of the products shown without prior notice. E&OE.

A smart waterproof system combined with the character of organic materials; built to last and easy to install.

GUARANTEE

When installed correctly using the recommended fitting guide and accessories, Showerwall is guaranteed to be free from defects for 30 years, from the date of purchase. A copy of the Showerwall guarantee is available to download from www.showerwall.co.uk.

Note your Showerwall panels carry a 30-year guarantee that is limited to domestic use against manufacturing defects, only when registered online at www.showerwall.co.uk. If the purchase of your panels is not registered within 28 days of the installation being completed, then the guarantee is reduced to a 15-year term.

WATERPROOF PANELLING SYSTEM

Any reference to Showerwall waterproof panelling system refers to all elements of the Showerwall system being fitted together. Showerwall Laminate and Compact panels must be fitted in accordance with the fitting instructions and **must** use Showerwall trims, sealant and adhesives to ensure the system is both waterproof and guaranteed.

EUROPEAN STANDARD FIRE RATED

All Showerwall Laminate panels are classified EN 13501. In addition, selected decors are British Standard Fire Rated Class 2-BS 476 : Part 7 : 1997 Standard Fire Rated Class 2-BS 476 : Part 7 : 1997

ENVIRONMENTAL RESPONSIBILITY

Showerwall laminate panels are manufactured using wood-based core board materials that are both recyclable and sustainably sourced.

We're serious about our impact on the planet. That's why we're making changes to leave as little mark as possible. You can find out more by scanning the QR Code.

Packaging is made from 100% recycled material
