Smooth glass like finish
Hygienic and easy to clean
Pattern matched designs

DIMENSION TOLERANCES

Width +/- 2.0mm
Height +/- 2.0mm
Thickness +/- 2.0mm

PRODUCT OVERVIEW

Square Edge	2400mm x 896mm	10.5kg
	2400mm x 1200mm	14.29kg

FABRICATION & INSTALLATION

- Use the correct tools for installation, please refer to the full Showerwall Acrylic installation guide for this
- Always use the installation kit contents for adhering and sealing acrylic panels
- If using a router to cut panels, make sure a guide is used with a straight TCT cutter and a minimum cutting speed of 4500 m/min
- If using a jigsaw to cut panels, choose a large-tooth blade
- When cutting and drilling panels, always fully support panels on a sacrificial board and clamp securely
- Use HSS bi-metal twist drills (60 – 90 point angle), drill at low speed and ensure all holes are de-burred after drilling

PERFORMANCE

Vicat Softening Temperature: 110°C
Tensile Strength: 71.0MPa
Tensile Modulus: 3090MPa

STORAGE & HANDLING

- Store flat on a fully supported pallet
- Keep in a dry, temperature-controlled environment
- Avoid direct sunlight prior to installation
- Do not store panels on edge or propped up against a wall

CARE & MAINTENANCE

- Abrasive cleaners and bleaches must not be used on Showerwall panelling.
- Showerwall provide a cleaner that has been selected and tested for use with our products.

ACRYLIC INSTALLATION KIT

Delivered with your Showerwall panels you will find an installation kit to aid fitting – there will be one kit supplier per panel. Each kit contains the following:

2 x Alcohol Surface Preparation Wipes

Removes dust and grease to promote optimal adhesion prior to installation.

3 x Translucent Silicone Sealant

High-grab, moisture-resistant silicone for full-surface bonding and sealing of joints, corners and perimeter edges. Creates a durable, watertight finish.

12 x Double-Sided Adhesive Pads

Provides temporary positioning support and immediate panel hold while silicone cures. Helps ensure accurate alignment and reduced slip.

WARRANTY

When installed correctly using the recommended fitting guide, Showerwall is guaranteed to be free from defects for 30 years, from the date of purchase. A copy of the Showerwall guarantee is available to download from www.showerwall.co.uk.

Note your Showerwall panels carry a 30-year guarantee that is limited to domestic use against manufacturing defects, only when registered online at www.showerwall.co.uk. If the purchase of your panels is not registered within 28 days of the installation being completed, then the guarantee is reduced to a 15-year term.
